

Davis School Arts Foundation

Funding and celebrating arts education in the Davis public schools since 1981.

“Art is literacy of the heart.”

Elliot Eisner, professor of art and education, Stanford University

The DSAF is a nonprofit 501c3 organization whose members support arts education in the Davis public schools.

Each year the DSAF provides:

- Grants for innovative visual and performing arts projects in Kindergarten through 12th grade classrooms;
- Support for a third- to sixth-grade chorus at every Davis elementary school;
- Annual elementary school site grants to purchase art supplies, maintain art print collections, fund classroom art and musical projects, and artist-in-residence programs;
- Materials and classes for drama, dance, instrumental and vocal music, including “lender” instruments for less resourced students;
- Teacher training to incorporate arts education into core curriculum.

The DSAF is a **matching funds** organization. Every dollar of the first \$16,000 raised is matched by the DJUSD. Last year - through donations, events, district and private matching grants - the DSAF generated \$44,000 for arts programs district wide. We can't do it this year without your help. Please make your tax deductible contribution today and enrich our students' curriculum.

Thank you for keeping the arts alive in Davis public schools.

Rebecca Breitbard
President, Davis School Arts Foundation
